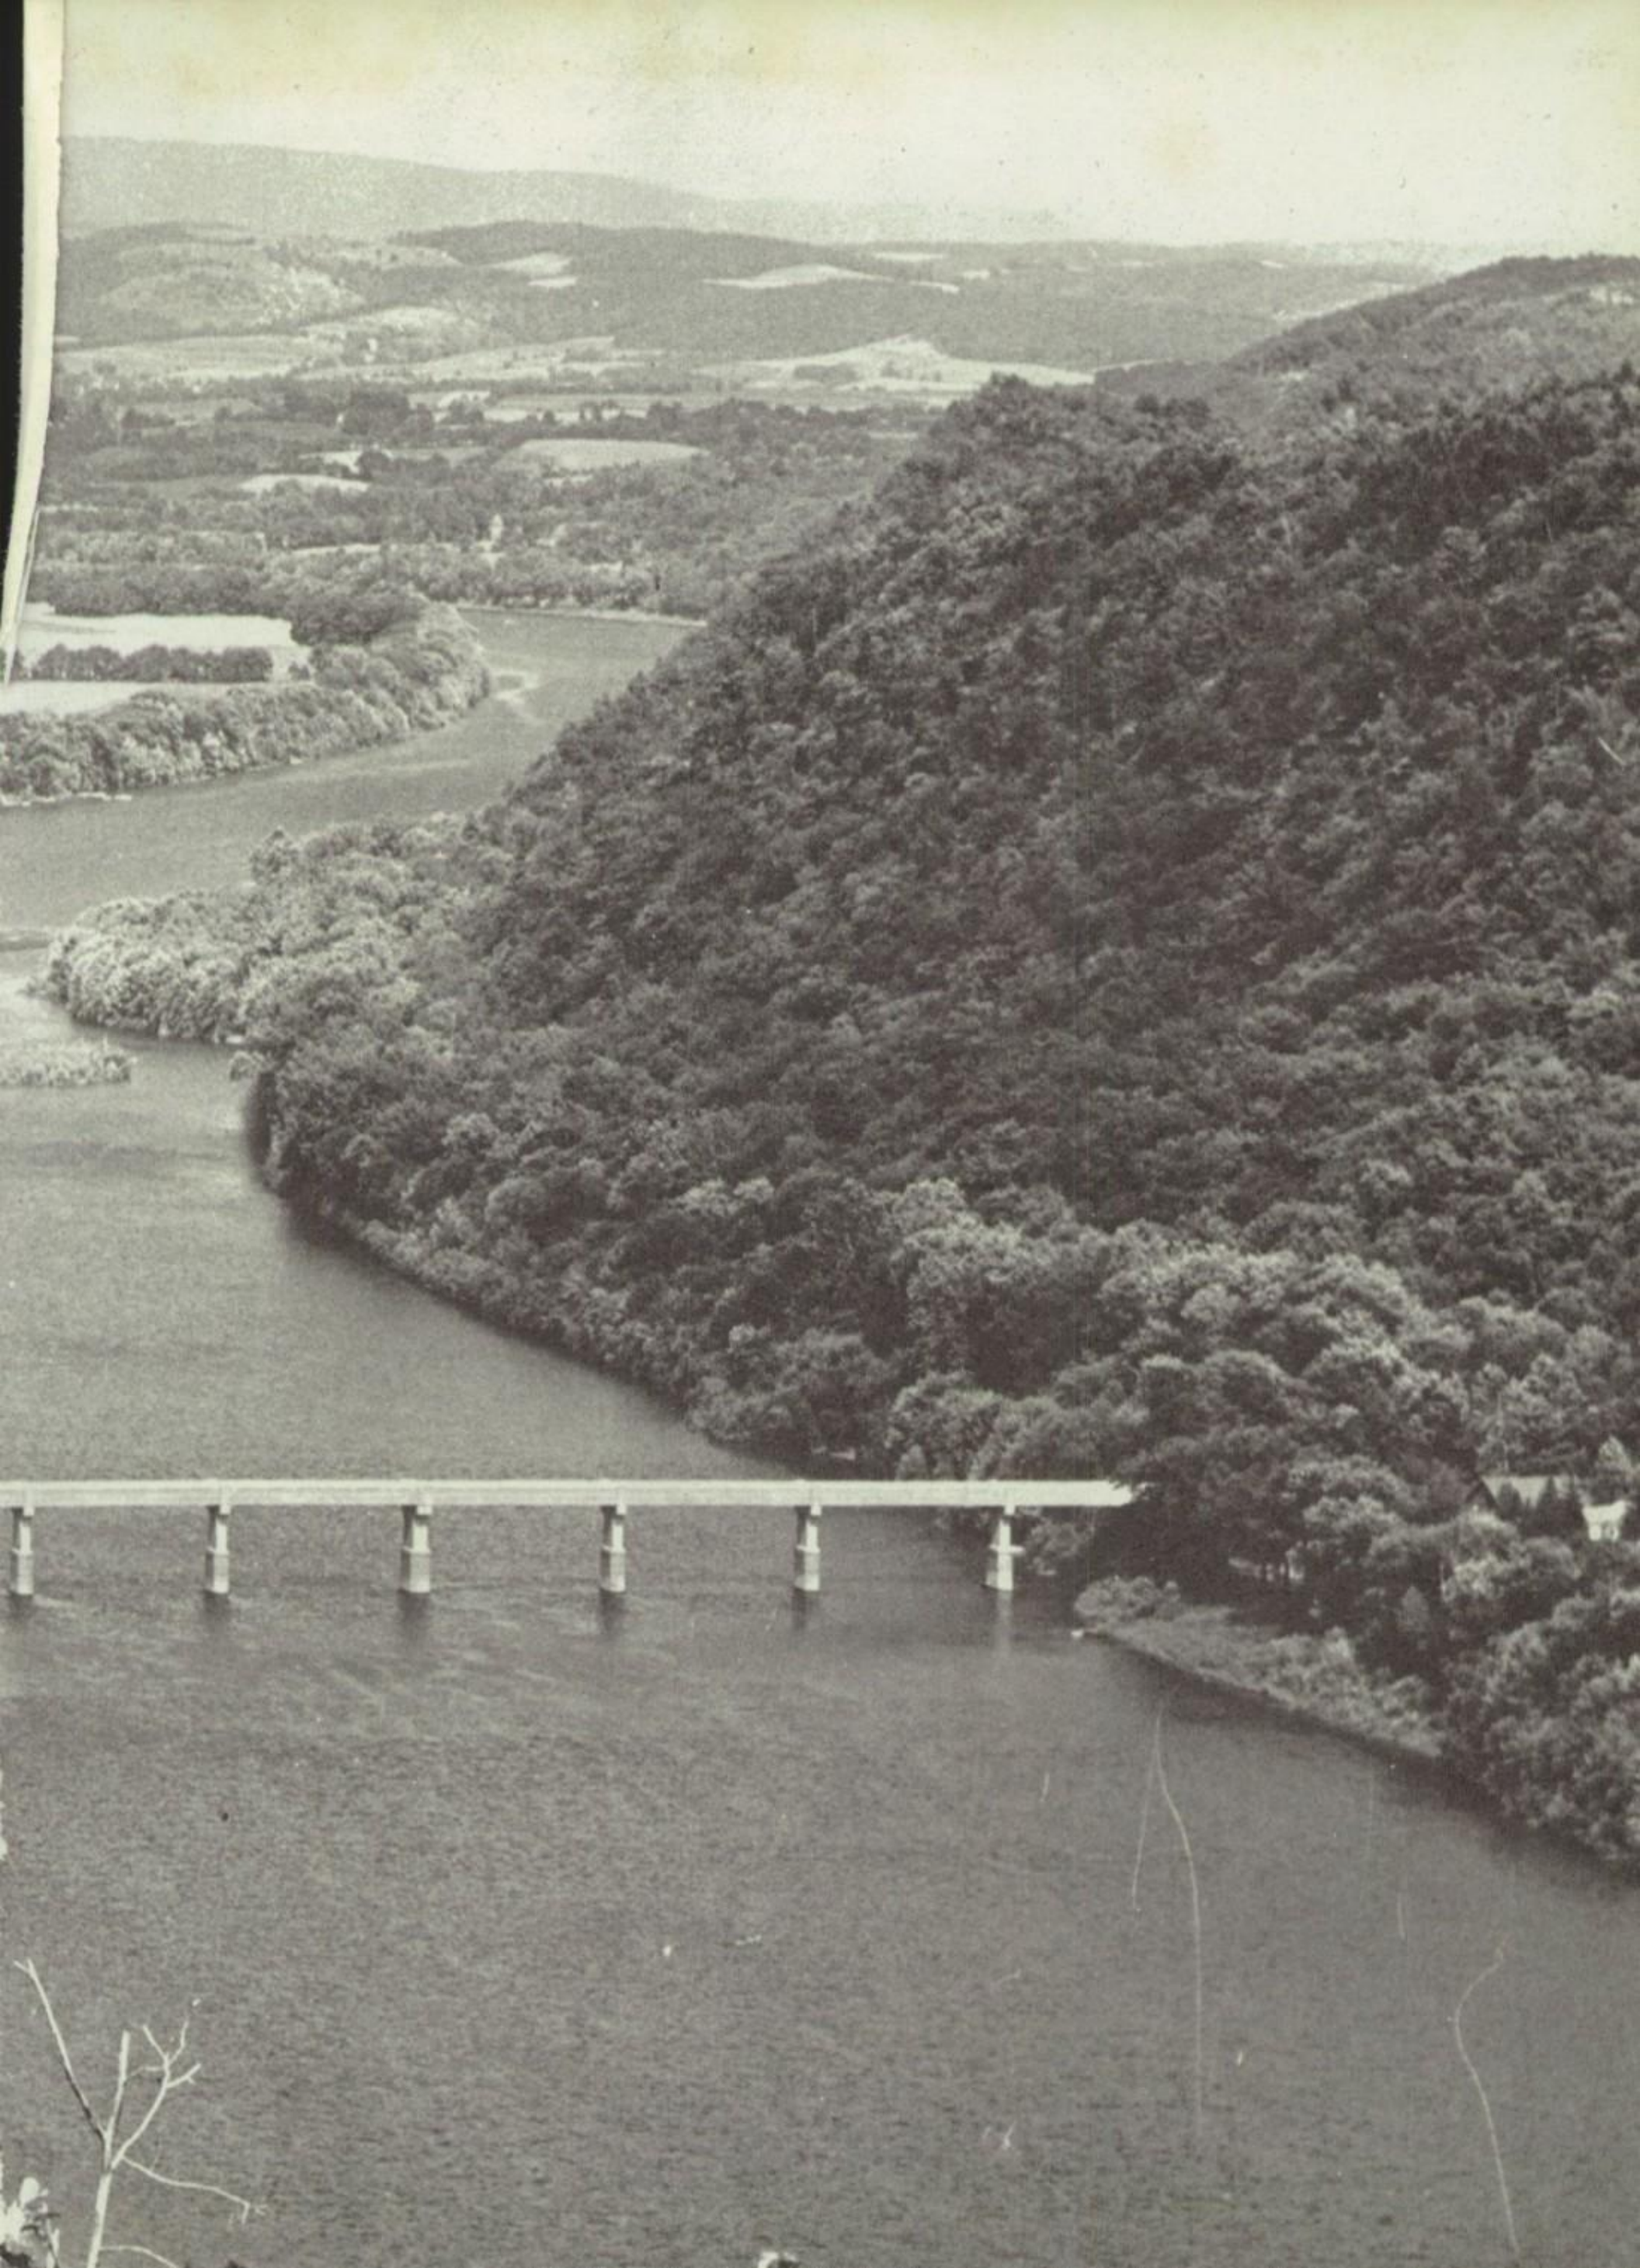
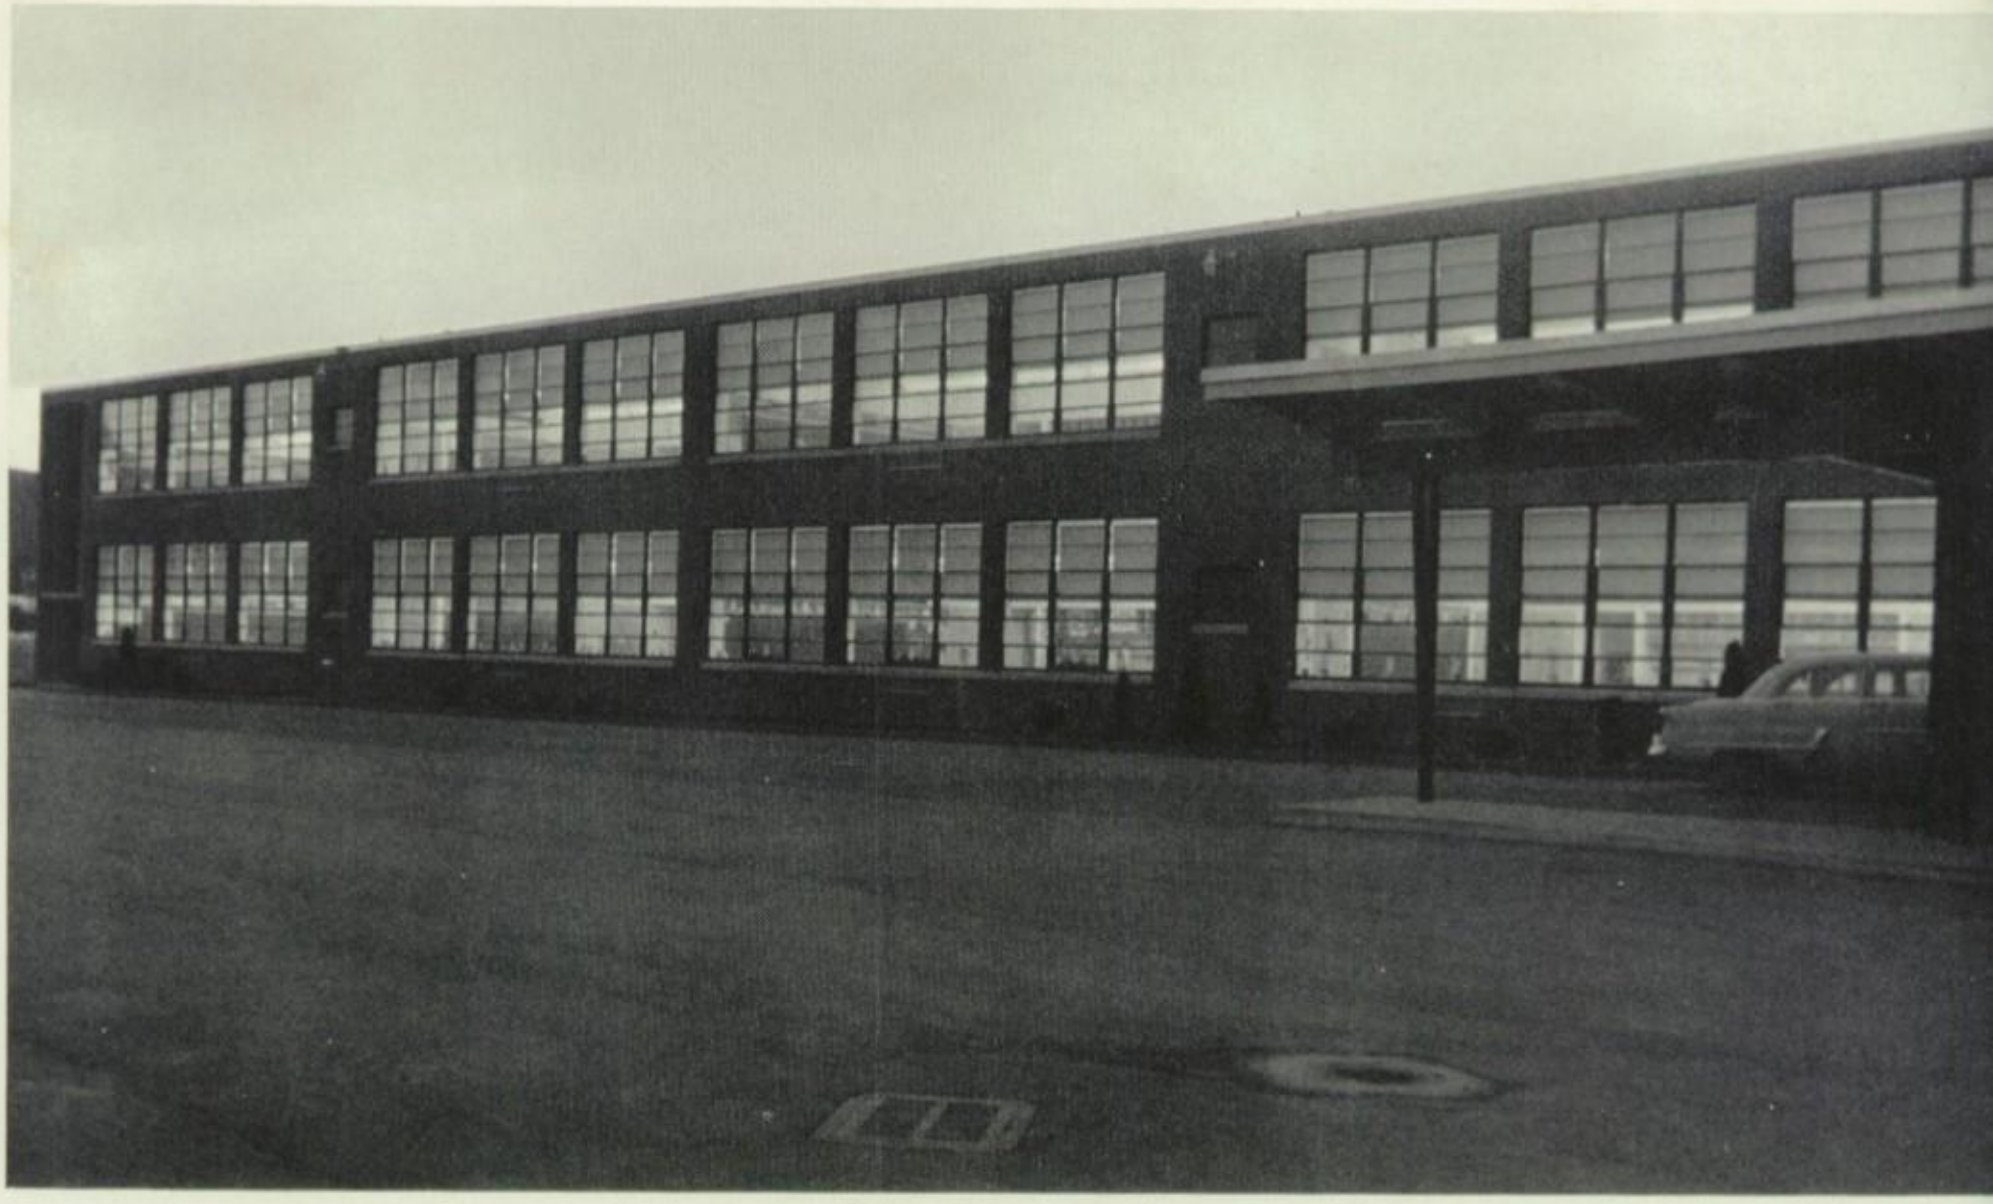
LA MONTA



MONTGOMERY AREA HIGH SCHOOL

Montgomery, Pennsylvania

THE 1959 LA MONTA



Foreword

As the graduating class of 1959 we feel this yearbook is one of the finest achievements of the years we have spent in our school. Working together to attain this goal has been a pleasing mixture of hard work and fun. In the future, we hope that the 1959 *La Monta* will become a prized and priceless possession to each and every one of us. We sincerely hope that looking through this book will open a door to many memories.

Mr. Bower and Mrs. Bower, our *La Monta* advisors, have our deepest appreciation, for without their continued guidance, this yearbook would not have been possible.

Mr. William I. Troxell

To a man who has shown us the way through the intellectual and extracurricular doors of our school life, we, the class of 1959, humbly dedicate this book.

Mr. Troxell is a person to whom we have looked with respect and admiration. We will always remember him for the deep interest that he has had in us, for the sincere appreciation he has shown when things have gone right, and for the frank and helpful criticism that he has offered when things have gone wrong. We wish him luck, health and happiness in all he may do.

Class History

Freshman Year

In September, 1955, we started our first year of high school, earning the right to be called freshmen and the privilege of picking our respective courses. To lead us through our first year of high school, we picked as president of the class Rick Miller, with Peg Stahl as vice-president, Judy Yeagle as secretary, and Bob Secules as treasurer. The freshman Student Council representatives were Ruth Hitesman and Bill Young. Mr. Weight and Mr. Johnson, our home room teachers, helped to guide us through our initial year of high school.

Sophomore Year

Everyone was quite anxious to begin the sophomore year. At last we weren't looked down upon as freshmen. To head our class this year, we picked as president Rick Miller. Helping him were vice-president Joan Moon, secretary Peg Stahl, and treasurer Ronald Hartranft. To the Student Council we elected John Flick, Chuck Yohn, and Bill Young. A hayride held on October 13 to the Elimsport Park was enjoyed by all who attended. A month later, November 14, a skating party was held at Fall's Hall in Hughsville. March 22, 1957, found almost all sophomores attending a record dance sponsored by our class and held in the high school gymnasium.

Our class advisors and home room teachers who helped to direct us through our second year of high school were Miss Ruggles and Mr. Troxell.

Junior Year

In the fall of 1957, we happily returned to school and eagerly looked ahead to our full schedule of events as juniors. We elected as our class officers in this important year, Rick Miller as president, Chuck Yohn as vice-president, Peg Stahl as secretary, Ronnie Miller as treasurer, and sergeant at arms Tom McDonough. Very ably representing the junior class on the Student Council were Peg Stahl and Bill Young. We all experienced a very big thrill when, on September 16, we ordered our class rings. In November we again felt the same thrill as we ordered our felt goods. As a money raising project, we decided to sell jewelry and Christmas cards. On our social calendar, we had planned a hayride for October 12, but it was called off because of the Asian flu epidemic. Perhaps the most delightful task of the year was the undertaking of the Junior-Senior Prom. As the theme of the dance, we picked Roman Holiday, and Elaine McCormick was put in charge of decorations. On June 6, the last day of this most exciting school year, Carol Steele held a class party at her home. Guiding us through this very successful year were Mrs. Bosch and Mr. Beck, our class advisors and home room teachers.

Senior Year

On September 2, 1958, the class of 1959 rather sadly returned to school, for we realized this would be our last year with our classmates, friends, and teachers. As class officers for our last year of high school, we elected Rick Miller as president, Chuck Yohn as vice-president, Peg Stahl as secretary, Ronnie Miller as treasurer, and Clyde Buck as sergeant at arms. Senior Student Council members were Bill Young, Peg Stahl, Wes Yost, Judy Yeagle, Ronald Hartranft, and Anna Jean Waltman. The most important class project of the year was the undertaking of the 1959 La Monta. Although many long hours of hard work were put into our yearbook, we found it to be a worthwhile and successful project. One of our first senior activities was Slop Day, held November 13. That evening at six o'clock, our grade parents gave us a spagetti dinner at the fire hall, after which nearly everyone went to Carol Steele's for a class party. Instead of having a class play this year, our class decided a Variety Show would be a bigger success. The benefits of the show, held on April 18, went to the yearbook staff. The social event of the year, the Junior-Senior Prom, took place May 15, with a theme of moonlight and roses. Nearly every one in the Junior and Senior class attended and enjoyed themselves. Our class day was May 22, with Baccaluareate May 24. Finally, the biggest night of all, Commencement, May 25. We ended our school year with a three day class trip to New York City beginning May 26. Our class advisors this year, Mr. Bird and Miss Ruggles, did, we feel, an excellent job of guiding us through our final high school year. We, the class of 1959, leave our Alma Mater with happy memories of school days well spent. In the years to come, these memories and experiences will be priceless to each and every one of us. To all our teachers and friends we bid a final farewell as we leave through these doors to begin a new life and future.

Flaming Foliage Queen

Judy Yeagle

Judy was selected to represent our school in the annual Flaming Foliage festival at Renova, Penna. She honored our school by being chosen queen. This is the first time a representative from our school has honored us in this way.

Peg Stahl — DAR award

Future Homemaker of America award — Diane Denoskey

Outstanding athlete — Rick Miller

Senior

Spelling Champs —

Danforth award — Bil Young and Ruth Hitesman

CLASS SONG
tune — "Till We Meet Again"

To Montgomery School we say good-by,
Never more to breathe a carefree sigh;
Our books are closed, our classes through,
Now we leave for things anew.
Good-by to dances and to football games;
To us they never will be the same.
Farewell to teachers, friends so dear,
Till we meet again.

CLASS POEM

Of the days in old Mont-High,
The memories will never die.
Good and bad we had to weather,
Now we're leaving you forever.
But we will never more forget,
Friends we've made and folks we've met.
Though generations come and pass,
A place was made by our class.
Now has come the time to part;
This we do with heavy heart.
Forever our constant prayer will be,
That we shall always honor thee.
Here, then, is our last good-by,
Farewell to you, Montgomery High.

ADMINISTRATION

Government is best
which governs least.

Message to Class of 1959

No one should stop learning upon the completion of high school. Further education, formal or otherwise, helps mature men and women to improve themselves as producers and to participate in our society more efficiently as citizens and as persons. In our complex age of science, technology, and conflicting standards, adults need to continue their education if they are to be citizens with an understanding of modern life.

As you leave the school, your parents, teachers and your many friends will continue to watch as each of you follows his thread of destiny. May we be as proud of you then as we are now.

Sincerely,

Glenwood J. Christ

Mr. Glenwood J. Christ
Supervising Principal

Mr. Norman C. Martin
High School Principal

To the Class of 1959:

The world turns to the school for leadership. The school must prove this faith by graduating young men and women who are honest, unselfish, loyal, and social minded. We believe that you have such qualities. The faculty joins with me in wishing you success and happiness for the future.

Sincerely,

Norman C. Martin

ELEMENTARY

Learning is rowing upstream . . .
advance or lose all.

Mr. James Pearce
Elementary Principal

In this fast-moving, ever-changing world of ours, one thing remains untouched. It is the joy, expectancy and wonder that mirrors a child's face as he enters school that memorable first day, an eager six year old, anxious to cross the threshold of a bright and different world.

Today, educators are faced with a serious responsibility, not only to mold boys and girls into good citizens, but to successfully educate them academically. Our desire is to preserve and nurture that eagerness to learn, so that they will be unafraid to explore new worlds, search for understanding of the unknown, and reach out for higher attainment.

Mr. Martin

The closing of the school term 1958-1959 brought with it the resignation of our beloved principal, Mr. Norman C. Martin. With his resignation, a little of the "spirit that is Montgomery School" seemed to follow him. His sympathetic guidance and infinite understanding will linger at the heart of the school, as will remembrances of his untiring efforts for a more democratic school.

Mr. Martin came to us thirteen years ago from the U.S. Air Force. He is a graduate of the University of Akron, Mansfield State Teachers College, The University of Alabama, and Bucknell University, B.S., M.S.

Indispensable is a word seldom used . . . and justifiably so, for few men deserve such a title. But to Mr. Martin, the student body gives the distinction of being as indispensable as one person can be.

Each one of us has come into contact with you in some phase of school life . . . in the classroom . . . in meetings . . . in the office . . . and each one of us will carry some fond memory of you . . . an encouraging smile when school looked the darkest . . . helpful and never failing advice when most needed . . . intuitive understanding of all our problems.

For this we thank you, Mr. Norman C. Martin . . . we wish you luck in your new position.

Congratulations

To Montgomery Area's Class of 1959 Upon

The Completion of Your High School Work

May your future bring new avenues of learning, experience,

and a full measure of success!

That success will largely depend upon how well you use your talents. Use them to the greatest advantage in whatever field of endeavor you choose.
